Please use this form and enclosed remittance envelope to submit your *I am a Son of Calvary Legacy Commitment*.

2012-2014 Son of Calvary Legacy Commitment

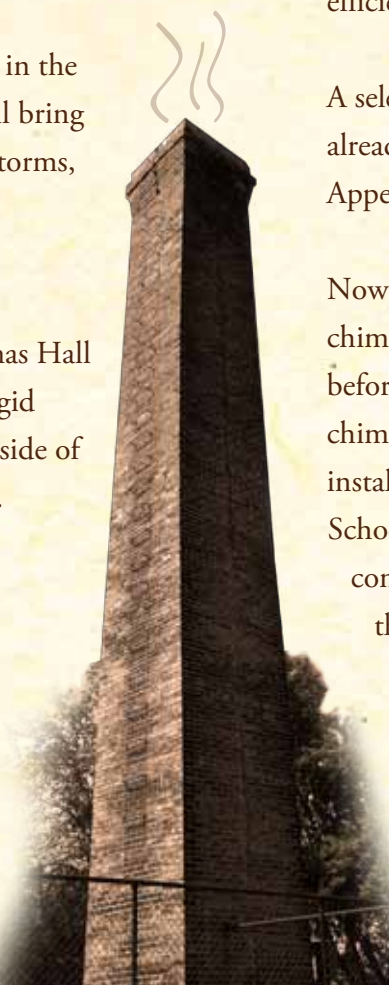

We invite our Sons of Calvary to participate in this new commitment model to ignite the Alumni Association and its many activities.

ST. LAWRENCE SEMINARY HIGH SCHOOL KEEPING US WARM – THEN & NOW!

No matter where you are in the world, winters on the Hill bring back memories of snow storms, banks of snow and icy temperatures.

Since 1898, the St. Thomas Hall Chimney has kept the frigid winds at bay on the west side of the St. Lawrence campus.

The 2012 – 2014 Capital Improvement Project takes down the St. Thomas Hall Chimney and installs two compact, high efficiency condensing boilers.

A select group of alumni leaders have already kicked-off the 2012 – 2014 Capital Appeal. We thank them for their generosity.

Now it's your turn. After 114 years the old chimney is finally ready to come down ... before it falls down. However, before the chimney comes down, the boilers must be installed. The St. Lawrence Seminary High School Alumni Association has

committed to raising \$100,000 toward this two-stage, two-year project.

FOUR DONATION LEVELS PROVIDE A RANGE OF GIVING OPPORTUNITIES

Become a Visionary (\$1,000), Sustainer (\$500), Builder (\$250), Spirit (\$50), Supporter. As part of your Legacy Commitment, 25% of your donation will go toward the good work of the Association for communication, events and special initiatives.

All who support the Keeping Us Warm – Then & Now! capital project at the \$250 level and up can choose:

- A copy of Fr. Keith Clark's most recent publication *The Dreams of Our Founders & The Hopes of Our Students*.
- Plans are being considered to save a few bricks of the St. Thomas Hall Chimney for those who wish to receive a Hill of Calvary keepsake.
