A. PATRONS, FOUNDERS, & SYMBOLS

St. Francis of Assisi (1182 –1226) is one of the most popular saints in the Catholic Church. As a young man, Francis was a popular leader among his friends in the small town of Assisi, Italy. He dreamed of becoming a knight. However, the crucifix in the broken down San Damiano church said to him, “Francis, repair my house which is in ruins.” At first, Francis thought that God wanted him to fix up the chapel itself, which he did. But later on, he realized that God wanted him to reform the entire Catholic Church. St. Francis loved all of God’s creatures – that’s why his statue is sometimes seen on birdbaths. However, the main idea in his life was to follow Jesus. He did this by helping those who had been forgotten by society like the poor and the lepers. He followed Jesus so well that, at the end of this life, he was given the stigmata, the wounds of Christ imprinted on his own body.

The Capuchins In 1528, 300 years after the death of St. Francis, some Franciscans felt that the ideas of St. Francis were being forgotten, so they founded the Capuchin Franciscan Order. The Capuchins wanted to reform the Order by living more simply, serving the poor, and preaching the Word of God as St. Francis had done. The Capuchin Order began in Italy, but it spread to nearly every region of the world. Today it has about 11,000 members, making it one of the largest religious orders in existence in the Catholic Church.

The Patron St. Lawrence of Brindisi (1559 –1619) entered the Capuchin Franciscan Order when he was only 16 years old. By the time he died on his sixtieth birthday, he had accomplished many things. As a scholar, he was good at languages – he studied the Bible using the original texts. But his skill in languages also came in handy when the Pope asked him to travel to several foreign countries as a peacemaker. In keeping with the Franciscan tradition, he was always concerned with the ordinary people, and he was eventually elected the Minister General of the Capuchins. With St. Lawrence as its leader, the Capuchin Order grew rapidly. St. Lawrence died in Lisbon, Portugal, on one of his peacemaking trips for the Pope. St. Lawrence is a “Doctor of the Church.” His feast day is July 21.

The Founders In 1856, two diocesan priests from Switzerland – Fr. Francis Haas and Fr. Bonaventure Frey – admired the Capuchins so much in their homeland that they wanted to establish the Capuchin Order elsewhere. Mt. Calvary, Wisconsin, reminded Francis and Bonaventure of Switzerland, so they settled there. The first few years were difficult, but eventually the small community grew with new members. St. Lawrence Seminary was opened in 1860 (as “The Convent Latin School”) and continues in existence today as the largest residential high school seminary in the United States.

The School Colors Brown and Gold are the St. Lawrence Seminary school colors. The brown is taken from the color of the Capuchin Franciscan habit worn by the friars, and the gold is the color that adorns the flag of the Catholic Church.

The School Seal and Motto

The phrase *Celsitudo ex humilitate* is the motto of St. Lawrence Seminary that has been incorporated into the school seal. Used to describe St. Lawrence of Brindisi, *Celsitudo ex humilitate* can be literally translated as “To the heavens out of our humility” or more poetically as “To the heights, from the depths.”

The Mascot

St. Lawrence Seminary’s co-curricular teams are known as “The Hilltoppers.” Inspired by the Swiss origins of our Founders and the beautiful hill of Mount Calvary on which St. Lawrence is located, the Hilltopper exemplifies the goal of our co-curricular teams to always strive to reach the top, to be the very best, all the while recognizing that the summit of a mountain is rarely reached alone.

The Alma Mater

Raised atop a lofty hillside,
Arched against the blue;
Stands our noble Alma Mater
Glorious to view.

LOVE HER SPIRIT HOLD IT EVER
LET OUR LIVES PROFESS,
WE ARE LOYAL SONS OF CALVARY
HILL OF HAPPINESS.

Though sweet memories are shadowed
Of our joyous past,
Beams shall linger of her portals
Cherished to the last. Love her spirit...

Seniors only:

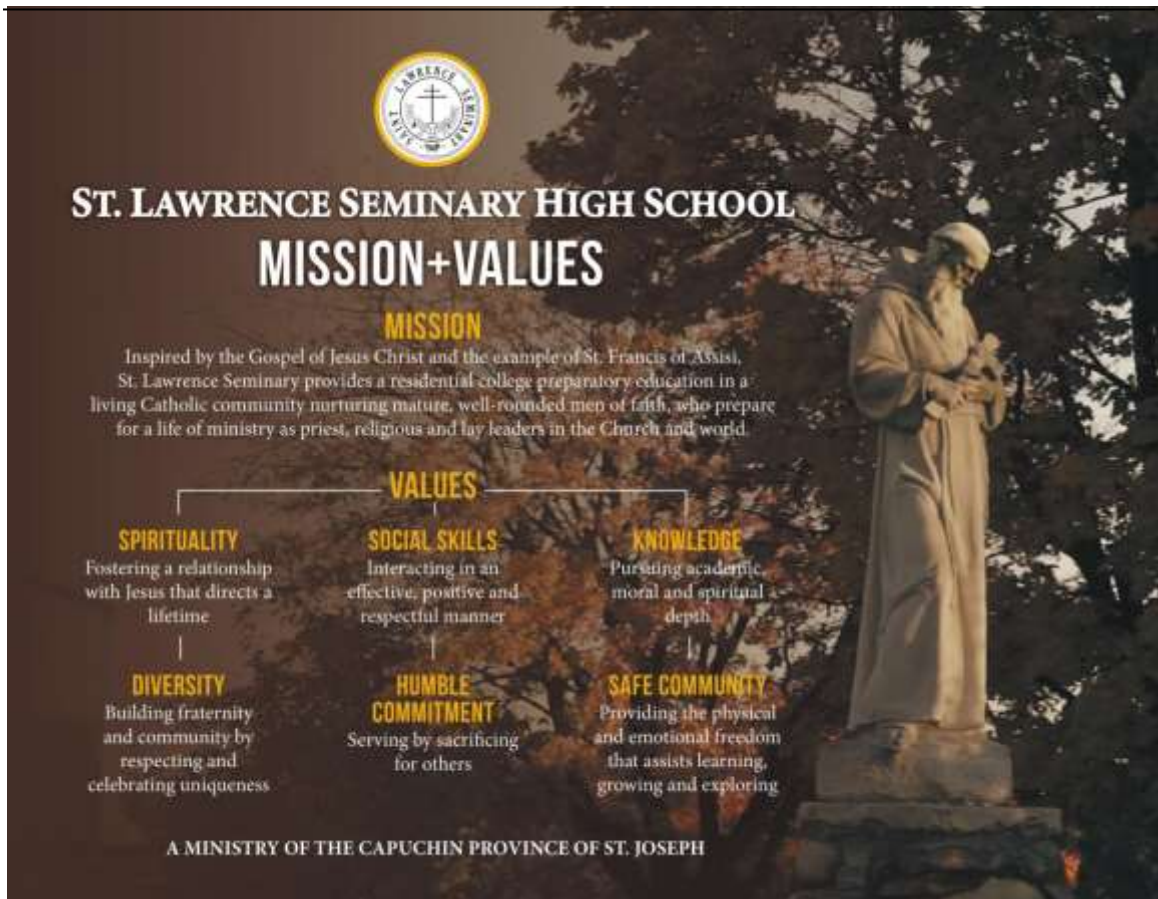

**Though approaching graduation
Bids us all farewell,
We shall never ‘er be parted
While fond mem’ries dwell.**

LOVE HER SPIRIT...

Midst her walls still echo footsteps
Guided to their aim.
All who tread her halls so stately
Ever love her name.

LOVE HER SPIRIT...

A MINISTRY OF THE CAPUCHIN PROVINCE OF ST. JOSEPH

C. Theme of the 2018/2019 School Year

We are called ... we are chosen ...
We are Christ for one another.

D. The Tau Cross

St. Francis wrote a blessing on parchment for Br. Leo, his closest friend and one of his first brothers. With the blessing, St. Francis drew a picture of the head of Brother Leo with the Tau. Because St. Francis had a great love for and devotion to the Tau Cross, it has been a well-recognized and accepted Franciscan symbol for centuries. The Tau symbolizes the Cross of Christ as well as St. Francis' ideal of life and dream for himself and his brothers and sisters. The Tau Cross is used at St. Lawrence Seminary as a symbol of Franciscan servant-leadership.

E. STUDENT RIGHTS

1. St. Lawrence Seminary admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, athletic or other school administered programs.
2. Each student has the following rights as a member of this seminary community. These rights flow from the seminary's mission and values.
 - a. to receive all reasonable assistance in the process of Christian growth
 - b. to receive a quality education
 - c. to be treated by staff and fellow students with dignity and respect
 - d. to receive consistent and fair treatment in relation to school policies and expectations
3. St. Lawrence Seminary does not tolerate sexual abuse, hazing or bullying whether perpetrated by adults or students.

F. RATIONALE FOR RULES

1. **Values of St. Lawrence Seminary:** All rules serve a purpose. The reasons for rules vary. Some rules are a matter of age appropriateness. Some rules however are based on "the values of St. Lawrence Seminary." These values are not random ideas that only apply when a student is at St. Lawrence Seminary. The values of St. Lawrence Seminary flow from the Gospel. Therefore, if something is contrary to our values it is contrary to the Gospel and Jesus Christ.
2. **Spirit of the Rules vs. Letter of the Rules:** Sometimes there can be a temptation to believe that one has complied with the "letter of the law" even though the action violates the "spirit of the law." The spirit of the law in many ways is more important than the letter of the law. Rather than trying to find ways to get around the rules, students are asked to try to understand why they exist in the first place. Below are some of the rationales for the various rules in this Handbook:
3. **Rules based on Right and Wrong:** Some rules exist because they deal with matters of right and wrong. Examples would be cheating, stealing, pornography, harassing, hazing, etc.
4. **Rules based on Health and Safety:** Some rules exist because they deal with matters of health and safety. Examples would be running in hallways, quiet after bedtime, etc.
5. **Rules based on Building Community and Keeping Good Order:** Some rules exist because we have determined that they are helpful for the building of community, the maintaining of good order, and they provide an environment that is helpful for living together, and growing into adulthood. Examples would be dress code, electronic devices, cell phones, etc.

II. SPIRITUAL GROWTH AND DEVELOPMENT

In these areas there are opportunities provided and activities required that are planned for the growth and development of the students.

A. SPIRITUAL FORMATION

1. Prayer and Worship
 - a. Eucharist
 - b. Morning and Evening Prayer
 - c. Sacrament of Reconciliation
 - d. Private Prayer
 - e. Other prayer opportunities, both individual and communal
2. Spiritual Direction

Spiritual direction is available for all students. Seniors and juniors must meet with their spiritual directors at least once each quarter. Sophomores engage in group spiritual direction as an introduction. During the second semester, they ease into individual direction.
3. Retreats

The seminary provides an opportunity for each class to experience a yearly retreat. This time of reflection and prayer is led by an experienced director. Juniors and seniors leave the campus for their retreats; freshmen and sophomores remain on campus.
4. Confirmation preparation is provided for juniors who have not yet been confirmed.

B. MINISTRY REQUIREMENTS

1. Apostolic and Social Requirements
 - a. Freshmen: The main focus of the ministry for the freshmen is the Weekend Visitors program. All freshmen will help with the program. Freshmen are required to complete a minimum of five hours of ministry.
 - b. Sophomores: Sophomores are required to complete a minimum of ten hours of ministry during the year. Half of the ministry hours must be served off-campus.
 - c. Juniors: Juniors are required to complete a minimum of twenty hours of ministry during the year, either at the seminary or at one of several different social service programs off-campus. Half the ministry hours must be served off-campus.

 Juniors are able to apply to work on an SLS sponsored Mission Trip in late May and early June. This mission trip is an opportunity to work with some of the very poor along the Texas/ Mexico border. The participants share the cost of the trip with the seminary.
 - d. Seniors: The seniors have an important responsibility among the students to lead fraternities and supervise work crews. In addition, seniors are required to complete a minimum of thirty hours of ministry during the year, either at the seminary or at one of several different social service programs. Half the ministry hours must be served off-campus.

 An important aspect of the senior ministry requirement is that seniors meet in small groups with one of the ministry staff members to evaluate/reflect on their ministry experiences once per semester.

Each student is required to complete some ministry activity during each summer.

2. Liturgical Ministries:

Each student will participate in liturgical ministries at St. Lawrence Seminary. Training for participation and preparation in the various ministries is assigned by grade level.

- a. **Lectors:** All seniors will receive training to be ministers of the Word for Eucharistic liturgies and prayer services. Students will be given their assigned readings several days before they are ministers of the Word and are required to practice with an adult supervisor before they read at liturgies.
- b. **Extraordinary Ministers of Holy Communion:** All seniors serve as Extraordinary Ministers of Holy Communion. The ministers distribute the consecrated bread and wine at Mass and may, on occasion, bring communion to the sick.
- c. **Intercessions, Acolytes & Gift Bearers:** Juniors prepare and lead the General Intercessions. Sophomores serve as Acolytes, and the freshmen bring up the Gifts at Mass.
- d. **Ministers of Hospitality:** All juniors serve as Ministers of Hospitality at liturgical celebrations. The ministers greet visitors at the door, provide assistance when necessary, and take up the Sunday collection.
- e. **Song Leaders:** Song Leaders are selected from those choir or band members who volunteer and receive training for this ministry. They lead the assembly in song at liturgical celebrations.
- f. **Instrumentalists:** These students play musical instruments at liturgical celebrations.

III. FUNDAMENTALS OF COMMUNITY LIVING

Each area of the school has rules that provide for good order. Students will be taught these rules and are expected to follow them at all times.

The Dean of Students will keep individual records on the behavior of each student. This is to ensure that fairness and good record keeping have been maintained when discussing a student's behavior at school with the Rector, parents or the student. The following are expectations:

A. PROFILE OF A STUDENT AT ST. LAWRENCE SEMINARY

1. He is growing in his Catholic faith and actively participates in the liturgical life and ministry of the Church.
2. He participates in the program (spiritual, academic, residential, and co-curricular) at St. Lawrence Seminary.
3. He is kind, respectful and supportive toward peers, staff, and faculty.
4. He uses good social skills.
5. He is honest and truthful.
6. He accepts correction well.
7. He has good personal hygiene.
8. He fulfills his responsibilities and is willing to lend a helping hand to others.
9. He tries to make this a pleasant living environment by his presence.
10. He is becoming more mature.
11. He is growing in cultural sensitivity.
12. He is working up to his academic potential and maintains at least a 2.0 GPA.

B. SOCIAL SKILLS

1. Courteous behavior and good social skills are expected at all times. Students will greet others in an appropriate manner and hold doors open for each other, faculty, staff, and visitors.
2. Faculty and staff members are to be addressed as *Mr.*, *Mrs.*, *Miss*, *Ms.*, *Dr.*, *Sister*, *Brother*, or *Father*. (*Coach* is acceptable in an athletic context.)
3. Students are expected to shower daily and after athletic/recreational activities, to practice proper oral hygiene, and to launder clothing and bedding as necessary.
4. Please see Appendix C for a description of the social skills.

C. HONOR CODE

St. Lawrence Seminary exists as a center of Christian experience. The community at St. Lawrence recognizes the importance of safeguarding and respecting the dignity of all individuals so that they will grow in an environment conducive to Gospel values.

The Honor Code forms an agreement among the student, his parents, and the St. Lawrence Seminary community that emphasizes promises and understandings that are of importance to a successful relationship. (For the text of the Honor Code, please see Appendix A).

Each student at Saint Lawrence Seminary, upon signing the Honor Code, promises not to steal, not to possess banned materials, to demonstrate academic integrity, to use the internet resource for only appropriate purposes, and to demonstrate Christian character of respect and responsibility for persons and property. Furthermore, each student agrees to help remind his fellow students of the Honor Code that exists at Saint Lawrence Seminary and/or to assist proper school authorities in enforcing this code. Breaking of the Honor Code will lead to significant consequences and in some cases a student will be subject to dismissal.

D. STUDENT RESPONSIBILITIES REGARDING HEALTH AND SAFETY

1. It is of the utmost importance to save individuals from a serious injury or death. Students are required to seek help when a fellow student is in serious and immediate medical distress. If it is discovered that a student is aware of a person in serious and immediate distress but does not seek help, that student's failure to act will be subject to investigation and potential serious consequences.
2. These are the requirements for reporting of violence or threats of violence:
 - a. Any student who receives a note, or hears or overhears a conversation, or possesses knowledge of a threatened act of violence, or is aware of intimidation, hazing or harassment must report the incident to an adult on the staff.
 - b. The person who has been notified of the incident must immediately report the incident to the Rector or the Dean of Students.
 - c. An investigation shall be conducted in a timely manner. If the allegation is confirmed, appropriate action will be taken.

E. MEANINGFUL INVOLVEMENT

Each student must be actively involved in an area that goes beyond the expected spiritual, academic and residential life activities. The involvement may include co-curricular activities, band, choir, student council, publications, National Honor Society, spiritual life committee, etc. Students unable to be involved will be assigned to an alternative involvement to be completed during that specific quarter. A student may propose his own alternative involvement. The nature of the involvement, the faculty or staff supervisor, and the times for completion are to be submitted to the Dean of Students for approval.

F. POSITIVE REPORTS

Observations of exemplary community building efforts as observed by the faculty/staff are recorded on the appropriate form as "Positive Reports" and are submitted to the Dean of Students office. Each week, a tally of these reports is posted.

Each student who fulfills the criteria for the Community Builder Award (CBA) or Community Leader Award (CLA) will receive a certificate and a token reward quarterly. A letter will be sent to his home recognizing the positive contribution he made to the community.

1. Criteria for Community Builder Award (CBA):
 - a. Fulfills the profile of a St. Lawrence student
 - b. GPA for the quarter is 2.00 or greater and works to his potential
 - c. No more than two negative incident reports (none of which resulted in community service hours or detentions)
 - d. Positive and consistent effort to participate in the ministry program
 - e. Positive influence within the class and the school community
 - f. Meaningful and consistent involvement in the seminary program throughout the quarter
 - g. Not on behavioral or attitudinal probation
 - h. Approval of the Dean of Students, Academic Dean, and Rector
2. Criteria for Community Leader Award (CLA)
 - a. Junior or senior standing
 - b. Eligible for a Community Builder Award
 - c. Recognized as not only a participant but also as a significant contributor or leader within the school community

G. NEGATIVE INCIDENT REPORTS

If faculty/staff members or peers observe a student's behavior that is contrary to SLS rules and/or social skills, they are asked to confront the student whenever possible. Depending on the nature of the incident, a faculty/staff member will instruct the student on the expected and appropriate behavior, and then assign him an appropriate consequence. It is the student's responsibility to accept the feedback and consequences without question.

The faculty/staff member will then record the incident on the appropriate form and submit it to the Dean of Students. If the faculty/staff member, the Dean of Students or the

student believes that further action is necessary, a meeting will occur.

Community Service Hours, detentions as well as other appropriate consequences such as fines, restrictions from an area or early retiring time may be assigned by the Dean of Students. The Dean of Students may recommend probation or dismissal in serious cases.

When assigning consequences in response to an infraction of a rule, St. Lawrence Seminary authorities take into account the many factors that make each student and each situation unique. For this reason, the fact that a certain type of problem has been handled in a certain way in the past does not necessarily mean that what seem to be similar infractions will merit exactly the same consequences. Each situation is unique, and the details of any one case are not always publicly known.

1. COMMUNITY SERVICE HOURS:

A CSH is an assigned one-hour period of work time that is issued by the Dean of Students for a single incident or an accumulation of rule violations or inappropriate behaviors. The CSH is to serve both as a reminder of inappropriate behavior and as a demonstration of the student's willingness to contribute in a positive way to the school community. Past due CSH(s) will result in consequences in addition to the completion of the pending CSH(s).

2. DETENTION:

A detention is a period of three hours on Sunday afternoon. During this period, a student is to sit quietly and reflect in written form on his inappropriate behavior and the expected appropriate behavior of a student. Detention reflections addressed to parents/guardians will be mailed home.

3. REVIEW: (BEHAVIORAL, ATTITUDINAL)

A student may be placed on probation for disruptive and/or uncooperative behavior or poor attitude. This student has created doubt about the feasibility of his continued presence at St. Lawrence.

Behavioral:	Doubt due to inappropriate behaviors.
Attitudinal:	Doubt in meeting expectations of the Student Profile.

4. PROBATION: (BEHAVIORAL, ATTITUDINAL)

A student placed on probation must see and meet with his assigned probation advisor within 24 hours of being placed on probation.

- a. The student has 48 hours to turn in his probation agreement signed by the student himself, the Rector, the Dean of Students, his Dorm Supervisor, and his Probation Advisor.
- b. While on probation the student will serve the stipulated detentions and community service hours.
- c. A student on probation will arrange and meet periodically with his Probation Advisor. The purpose of these meetings will be to review his progress in fulfilling the probation agreement and to be challenged regarding specific behavioral and attitudinal problems.
- d. Before each meeting with his Probation Advisor, the student will briefly meet with his Dorm Supervisor to discuss his behavior in the dormitory.
- e. If a student fails to respond positively to this probation program, the student may

be dismissed or his probation may be extended.

- f. An application for removal from probation is submitted by the student to the Dean of Students at the end of his probation.
- g. Special arrangements may be made for students who cannot complete the probationary period during the school year. A student on probation may be restricted from participating in some special activities.

5. DISMISSAL

If the Rector judges it necessary for the good of the whole community, he reserves the right to dismiss a student at any time, regardless of whether a student has been placed on probation or not.

The Behavioral Incident chart in Appendix D outlines evaluations and consequences.

H. QUARTERLY EVALUATIONS

Since one of the school's purposes for existence is to provide preparation for ministry in the Church, it is necessary that the faculty/staff engage in the evaluation of the students. While these evaluations may in particular cases be conducted at any time during the school year, they are school-wide at the end of each quarter. These evaluations attempt to measure the students' success in fulfilling the school's Mission and Values statement and the Student Profile.

First, Second and Third Quarter Evaluations:

Significant observations and data are recorded and kept for reference during these quarters; recommendations for assistance and remedial activities may be made at this time. Parents will always be notified concerning serious matters and are encouraged to request interviews with the Rector or other faculty/staff members regarding evaluations.

Fourth Quarter Evaluations:

At this evaluation an additional focus is added. The question of the student's return for the next year will be addressed. This judgment is made on an individual's overall growth at the seminary. A student whose lifestyle and accumulated successes show reasonable progress will be invited to return.

Juniors to Seniors:

In making a determination whether or not to invite a Junior to return as a Senior, particular consideration will be given to his perceived willingness and ability to assume responsibility and leadership in the various areas of the school as well as to be a good sponsor for a Freshman and role model for the underclassmen in general.

I. OPEN CAMPUS

Open Campus is a privilege that may be granted to seniors. Open Campus provides seniors with an opportunity to freely move around the campus during assigned study hall time. However, if seniors are to attend study hall due to teacher absence, they must remain in study hall if an assignment/test is to be completed during the study hall period. Seniors will forfeit Open Campus privileges if they are on academic probation or if they have received a D or F. Open campus does not grant seniors any special privileges in the computer lab or library. For example, they may not surf the internet or use e-mail except as

outlined in the Computer Lab section. (In that section, there is an exception allowing seniors to access e-mail and the web for college application purposes only during the evening, fifth, and ninth period study halls.)

J. INDIVIDUAL GUIDANCE ACTIVITIES

1. Students may meet with the Guidance Director. Parents or staff may also initiate such a meeting. The Guidance Director will either conduct the counseling sessions or make a referral. The law requires that the school's staff report to proper legal authorities any suspected cases of child abuse or neglect.
2. Students must attend a workshop that addresses:
 - Recognizing the threat of physical, emotional, verbal or sexual abuse.
 - Knowing what to do if one is not feeling safe.
 - Learning the skills to report any abuse or suspected abuse to a trusted adult.
3. When an off-campus referral is made for professional services, prior written parental approval will ordinarily be obtained.

K. STUDENT HEALTH

1. All health care requiring the services of health personnel off-campus is arranged through the Student Health Department.
2. Normally, regular appointments (braces, eye, dental, etc.) should be scheduled for times that the student is at home. Occasionally, parents need to make medical or dental appointment for their student during school. If this is the case, they must notify the nurse as soon as possible regarding the appointment date and time, including the times they will pick up and return their student to campus. The nurse will then notify the appropriate staff to excuse the student from class and leave campus.
3. When a medical judgment indicates confinement to bed, the student will usually be placed in the health care center.
4. Students are not allowed to keep prescriptions, over-the-counter medications, vitamins, and/or supplements in the dormitory or on their person without the permission of the nurse. A supply of commonly used over-the-counter medications can be obtained through the nurse or dorm supervisors; therefore, any medications from home are to be sent directly to the Student Health Center.
5. Students who are assigned times to receive medications and fail to comply will be reported to the Dean of Students.
6. A fee for transportation to and from appointments is charged to the student's account.
7. Parents are responsible for the bills for medication, examination, treatment and consultation from medical facilities and personnel outside the seminary.
8. If a student receives medications while at home, the parents or student must notify the student nurse when he returns to school.
9. Emergency care is always available for the students. Established Student Health Department hours will be published and posted. Except in emergencies, students are normally not to go to the Student Health Office when expected elsewhere and should have a pass from a teacher or supervisor sending them.

IV. SPECIFICS OF COMMUNITY LIVING

Behaviors and possessions are to reflect the gospel values espoused in the Mission and Values Statement, and the Profile of a Student of St. Lawrence Seminary.

Therefore, school events such as sports, plays, etc., are not to be used to promote boy-girl relationships. Steady relationships with girls in the local area will be discouraged. If there are concerns regarding relationships that develop at the seminary, the seminary administration will discuss these concerns and the possible ramifications with the student and his parents.

The following are the occasions when permission is ordinarily given: funerals, weddings, Confirmations, First Communions, Baptisms, or graduation of members of the immediate family, silver or golden anniversaries of parents and grandparents.

Permission is not ordinarily given for other occasions; however, consideration will be given for special circumstances. Also, seniors who demonstrate a sincere interest in visiting a formation program for vocational decision-making should consult with the Rector. This opportunity is also available to juniors if the visit can be accomplished without missing classes.

Seniors who can demonstrate a need to visit a college campus for interviews and/or testing should arrange this through the Guidance Director once they have obtained permission from the Rector to be away from the seminary. It is expected that these needs will ordinarily be provided for during the holidays listed in the school calendar.

c. Sundays

A student may leave campus in the company of his parents after the morning Liturgy. He is expected to return by 7:15 PM. Permission to leave is given by the Rector or, in his absence, by his delegate.

2. Usually, the required courses are taken at the time indicated below. However, with the consent of the Academic Dean, they may be taken in a different year. Specific seminary course requirements may be waived for transfer students.

Freshmen: Religion; Physical Education; English; World History; Freshman Guidance; a mathematics course (usually Algebra); a science course (usually General Science); and Health. In addition the student is able to choose an elective from the Foreign Language or Technological Education departments.

- Seniors: Religion; Physical Education; English; a semester of Humanities. In addition one credit must be taken from the Foreign Language, Science or Mathematics departments.

C. COLLEGE PREPARATION

1. Since St. Lawrence Seminary has, as part of the concrete implementation of its purpose, the preparation of adolescents for active ministry in the Catholic Church, its academic curriculum reflects a strong bias toward college preparation.
2. Certain colleges and universities may not require particular courses (foreign language and higher level math) for admission. Even in these cases, however, the student may satisfy part of the college degree requirements by carrying these courses in high school. A student who is contemplating a particular college should also investigate the CLEP (College Level Examination Program) or similar programs in that institution, to see if he may be qualified to take tests through which he may earn advanced college placement and/or college credit.
3. Several upper level courses are offered for dual credit. Any student who meets the academic requirements established by that university may enroll and receive university and high school credit for the course. The Academic Dean of the seminary assists any student who wishes to take part in this dual registration process. Tuition fees are to be dealt with by the university and the parents of the student who chooses this option.

D. PROVISIONS FOR GRANTING CREDIT

1. The seminary has elected the Carnegie Unit as its ordinary means for granting credit. According to national norms, a Carnegie Unit is the amount of credit given for the successful completion of a course that meets 40 minutes daily, five days per week, for at least 36 weeks, or the equivalent amount of time within the school year. The equivalent time is 120 clock hours. The seminary may grant credit by means of "credit by examination" in exceptional cases. In this case, the credit is given on a performance basis by means of approved examinations covering the content ordinarily included in a regular school course in the subject. Such credit will be awarded on a Pass - Fail basis.
2. The seminary does not offer summer school courses for credit. It does accept summer school credits earned in other accredited high schools, provided that these are not courses specifically required for seminary graduation, and that permission of the seminary's Academic Dean has been obtained in writing before enrolling in any other school for a course that is being transferred into St. Lawrence Seminary. This permission is never granted to avoid taking a class at St. Lawrence Seminary.

E. GRADING AND GRADE POINT AVERAGE

1. The seminary uses the alphabetical grades "A" to "F", with pluses and minuses, on a 4 point grading system: A = 4 points; B = 3 points; C = 2 points; D = 1 point; and F = 0 points. The points are added for each class and the total is divided by the number of classes to arrive at the Grade Point Average (G.P.A.).
2. A minimum acceptable achievement is a "C" average, or a 2.00 grade point average on the 4-point scale. A student must earn at least a "D-" in order to receive credit for a

course.

3. Several courses are on a Pass-Fail grading system, with pluses and minuses. These classes include Advanced Guidance, Keyboarding, Band, and Choir. These courses do count for graduation, but they are not included in the Grade Point Average of the student.
4. A mark of "I" or "Incomplete" is given only in exceptional circumstances approved by the Academic Dean. After returning to school, the student who has received an "I" has a maximum of five days to finish the incomplete work. Incomplete work that is not completed is automatically recorded as a zero in the student's quarter or semester grade average. The circumstances that allow for the mark of "I" include serious illness, which prohibits the student from attending classes for five days or longer, or/and emergency situations that cause him to be away from school for an extended period of time.
5. Report cards are distributed to the students and their parents each quarter by the Rector. In addition to the quarterly mark, a semester mark is given which determines the over-all grade for the course. At each of the four mid-quarters, an additional assessment is made by the faculty of the students' progress. Students who have not performed to a minimum of a "C-" level and the parents of those students are notified at mid-quarter concerning the lack of progress.
6. Grades of Ds and Fs are reported at the mid-quarter and at the end of the quarter. Special programs are in place in which a student must participate if he has two Ds or an F. The student will remain in the appropriate program until the next quarter report. At that time, if he has no Ds or Fs, he will be removed from the special program. In some special circumstances, the Academic Dean may keep a student in one of these programs even if he has no Ds.

F. CLASS DAY AND COURSE LOAD REQUIREMENTS

1. The school follows a seven period class day, with two additional study hall periods. The periods are forty-five minutes in length. Band and Chorus are offered during the 5th and 9th periods, and do not constitute part of the course load requirement.
2. All freshmen, sophomore and junior students are expected to carry a full class load. The only exceptions to this are those students who are advised by the Rector or the Academic Dean to lighten their academic load for academic or personal reasons. Seniors have the option of choosing a study period during one of the regular seven class periods. If they exercise this option, they are limited to one course in the technological department. If they carry a full load, they may elect two such courses.

G. COURSE SCHEDULE AND COURSE CHANGES

1. Each student has the ultimate responsibility for his schedule. The Academic Dean will assist him in this effort. The teacher recommendations and the talents and needs of the student will be considered before final approval.
2. A student who wishes to change an approved course selection after the add/drop period (the first few days of a semester), must seek written approval of the teacher(s) whose classes will be affected and the Academic Dean. The approval is not ordinarily given because of low grades alone.

H. HONOR ROLL

The Honor Roll is determined at the end of each quarter. Students qualify for the Rector's List Honor Roll if they have a Grade Point Average of 3.75 to 4.00. They qualify for the Dean's List Honor Roll if they have a Grade Point Average of 3.50 to 3.74. The parents of the students receive notification of this honor. In addition the names of the students are listed on a special honor bulletin board. A student who has cheated will not be eligible for the Dean's List or Rector's List that quarter.

I. DETERMINATION OF VALEDICTORIAN AND SALUTATORIAN

1. The valedictorian and salutarian of the graduating class shall be determined by the grade point average, carried out to the third decimal place, at the end of seven semesters of high school work. In case of a tie in the grade point average, the highest composite score in the ACT test taken prior to the end of the seventh semester shall break the tie.
2. In order to qualify for these honors, a student must have completed five or more semesters of his high school work at Saint Lawrence Seminary. The grades that are not on a pass/fail grading schedule shall be used to determine the grade point average.
3. Only those grades that have been earned while a student at Saint Lawrence Seminary shall be used to determine that average.
4. Academic honesty is a requirement for a senior to be the valedictorian or salutarian.
5. The valedictorian and salutarian must be approved by the Rector.

J. NATIONAL HONOR SOCIETY

1. The local chapter of the seminary's Honor Society is affiliated with the National Honor Society of Secondary Schools. The Rector annually appoints a Chapter Advisor, who may serve consecutive terms. The Rector has the right to approve all activities and decisions of the chapter, which extends to the selection and dismissal of members.
2. The Rector also appoints five voting faculty members who along with the non-voting sixth member, the Chapter Advisor, comprise the faculty council. The faculty council meets to select and consider non-selection, dismissal, and other actions.
3. Membership is an honor bestowed upon a student. No student has a right to be selected for membership. Selection for membership is by a faculty council and is based on outstanding scholarship, character, leadership, and service. The selection of each member to the chapter is by a majority vote of the faculty council. Candidates must have been in attendance at the seminary for one semester.
4. The local chapter considers only juniors and seniors for membership. The minimum requirement is a cumulative grade point average of 3.30. The faculty council may change the required cumulative grade point average according to the norms of the Society. Juniors or seniors who cheat will not be considered for membership in the National Honor Society that year. Cheating as an underclassman will be taken into consideration when evaluating applications for NHS membership.
5. While the academic criterion is important and is considered first, membership is not on the basis of grades alone. Three other criteria are used, namely leadership, service, and character. a) Leadership roles can be exercised in terms of offices the student has held in school and in other organizations, and also leadership that exists outside elected positions. b) Service can be defined in terms of the value of contributions the student has made to school, classmates and community, and the student's attitude

toward service. c) Character encompasses such things as cooperation with school administration, honesty, reliability, truthfulness, courtesy, and respect for others. Students who have been on probation or who exhibit negative behaviors are considered poor membership risks. The faculty council may conduct a survey of academically eligible students to obtain information regarding service and leadership activities. Such a survey is not an application for membership and does not guarantee selection.

6. If a student or parent inquires about non-selection to the Rector, and if they believe that some kind of technical mistake has been made, they may ask the faculty council to reconvene to review the situation. The National Council does not review the judgment of the faculty council regarding selection of individual members to the local chapter.
7. The Chapter Advisor or the Rector notifies those students selected. An appropriate induction ceremony is held annually.

K. ACADEMIC PROBATION

The normal criterion for academic probation is a GPA lower than a 2.00, two D's (of any kind) or one F in a marking period. A student is ordinarily placed on probation at the end of a quarter or semester. Both the parents and the student are notified in the case of academic probation. Students on academic probation will abide by the following requirements:

1. Must participate in the Saturday morning "Breakfast Club" study hall and Sunday evening study hall.
2. May sign-out of study halls only to see a teacher, spiritual director or the guidance counselor. A teacher may give permission to use the library, computer lab or art studio/woodshop during study halls.
3. May not be in the Computer Lab outside of study halls without permission from a teacher. Permission may be obtained from the Academic Dean or Dean of Students in exceptional circumstances or to communicate with parents. (The exception is from 1:00 – 3:00 on Saturdays.)
4. Are restricted from using any electronic game systems and are restricted from being in the area of the Game Room containing the video game consoles either to play or watch.
5. May not sign-up for mall trips, movies in Fond du Lac or other field trips without permission from the Rector.
6. Other restrictions may apply on an individual basis.

L. ACADEMIC HONESTY AND CHEATING

Cheating is an extremely serious matter. Students are expected to maintain academic honesty in their studies.

1. Cheating:
 - a. Looking at one's own notes, another student's notes or other materials during a test is unacceptable.
 - b. Getting answers from someone else during a test or giving answers to someone else is unacceptable.
 - c. Students are not to offer or request questions and/or answers regarding tests/quizzes from one another prior to everyone having taken the test/quiz.

2. Cheating on homework:
 - a. A student may not copy another's work or do another student's homework for him.
 - b. Students are to take their own notes in each class.
 - c. Students may assist one another by helping the person figure out the problem, giving hints, and asking questions, but not by giving answers.
 - d. No student may give a photocopy or computer printed copy of notes to anyone without the permission of the instructor of the class.
3. Using a computer to print homework:

In order for a student to hand in a paper with his name on it, he must have typed the paper into the computer himself, unless he has made prior arrangements with the instructor.

A student who has cheated will not be eligible for the Dean's List or Rector's List that quarter. Juniors or seniors who cheat will not be considered for membership in the National Honor Society that year. Cheating as an underclassman will be taken into consideration when evaluating applications for NHS membership. Academic honesty is a requirement for a senior to be the valedictorian or salutatorian.
4. Plagiarism:
 - a. Students may not plagiarize. According to *Webster's Dictionary*, to plagiarize is to "steal and pass off as one's own the ideas or words of another." Whenever directly quoting, paraphrasing, rearranging words, or using synonyms to present material taken from a newspaper or magazine article, encyclopedia, book, internet material, etc., students must give proper credit to the author.
 - b. Students may not copy any copyrighted material unless permission has been obtained from the publisher.
5. Proofreading of class material

Outside of class, staff and peer proofreading may be done by having the student read the section aloud, giving hints, and asking questions, but never by crossing out the student's mistakes and writing in the correction.

M. TESTING PROGRAM

Each year, the seminary offers a series of tests. One of the major purposes of the testing program is to provide teachers, parents and students with information to aid student learning. The results of all such tests are given to the students as a useful tool for planning future educational priorities.

College Testing:

- a. Most colleges suggest or require some form of a college admission test. The two most commonly recognized forms are the AMERICAN COLLEGE TEST (ACT) and the SCHOLASTIC APTITUDE TEST (SAT 1). Students should check with the college(s) they are considering and take the test the college recommends. Most Wisconsin schools require the ACT.
- b. Students are encouraged to take the ACT and/or SAT 1 examination at the end of their junior year or in the fall of their senior year.
- c. U.S. students should arrange the ACT/SAT test to take place during the summer between their junior and senior year of high school. The school counselor can provide the students with the test dates and locations near their own home.

- d. The Seminary provides transportation to a Fond du Lac college for ACT/SAT testing during the fall semester of each academic school year for U.S. and international students who are seniors. Those who have not yet taken the ACT/SAT test or who wish to retake a summer test may do so at that time.
- e. Students wishing to take the ACT/SAT or other off-campus tests at other times and at other test sites must confirm this with the Guidance Counselor prior to registration. Students taking any of these tests are responsible for informing coaches and other supervisory staff as soon as possible after they have registered for the test and know that they will be absent.
- f. Some international students may also be required by colleges to take TOEFL (TEST OF ENGLISH AS A FOREIGN LANGUAGE). It measures the ability to understand North American English. International students are able to obtain more information from the school counselor concerning the dates and locations of this test.

VII. ST. LAWRENCE SEMINARY ACTIVITIES

All student activities at St. Lawrence Seminary are designed to promote and foster the principles and values proclaimed in the gospel. Whether curricular or co-curricular, they must reflect the mission and values statement of the seminary. Participation in student activities is seen as a means of promoting growth in self-discipline and of demonstrating characteristics consistent with the profile of a student at St. Lawrence.

B. PARTICIPATION IN CO-CURRICULAR ACTIVITIES

Participant commitment: Many opportunities exist for a student to become part of different activities. Not only does such participation aid a student's growth and development, but it also allows him to put into practice a commitment to the choice that he has made. Each student is expected to follow through on any commitment that he has made to an organization, program or activity, including times of scheduled school vacations (i.e. home weekends, holiday breaks). In case of team selections, final picks are made with commitment in mind; quitting may result in future ineligibility. If the student foresees participation conflicts, he should identify them prior to signing up or the first practice or tryout date. He has the responsibility to notify the appropriate coach/moderator of the conflict. All conflicts between activities will be resolved by the coaches/moderators.

C. INTERSCHOLASTIC COMPETITIVE ATHLETIC PROGRAMS

1. St Lawrence Seminary is a member of the Wisconsin Interscholastic Athletic Association (WIAA) and competes in the Wisconsin Flyway Conference in soccer, cross-country, wrestling and track. Basketball and baseball follow an independent schedule.
 - a. **SOCCER:** Soccer is a fall sport. The school competes at both the varsity and the junior varsity level. The varsity team may include students from any academic level, while the junior varsity is made up of freshmen and sophomores.
 - b. **CROSS COUNTRY:** Cross-country is a fall sport. Students at any academic level are eligible to participate. Cross Country may involve some running on area roads where proper safety measures must be exercised.
 - c. **WRESTLING:** Wrestling is a winter sport. The squad is composed of two teams, a varsity and a junior varsity. Students at any academic level are eligible for either team.
 - d. **BASKETBALL:** Basketball is a winter sport. The seminary has a varsity and junior varsity team. The JV team is sometimes divided into two teams and play in order to compete at the JV and Freshman level on the same day. Students at any academic level are eligible for the varsity level.

- e. **TRACK:** Track is a spring sport. Students at any academic level are eligible for the team. Track may involve some running on area roads where proper safety measures must be exercised. The state WIAA meet occurs after the completion of the seminary school year.
- f. **BASEBALL:** Baseball is a spring sport. The school competes at both the varsity and the junior varsity level. The varsity team may include students from any academic level.
- g. **TENNIS:** Tennis is a spring sport. The school competes at the junior varsity and varsity level.

D. OTHER COMPETITIVE INTERSCHOLASTIC PROGRAMS

1. **FORENSICS:** The forensics program provides students with the opportunity to develop and improve their public speaking skills. This is an opportunity to develop oneself as a confident, skillful public speaker. Furthermore, the individual who is able to communicate well often has a distinct advantage over the less well-trained speaker in many areas of society. Participation in forensics and demonstrated dedication to improvement as an orator are essential elements for the success of the program, both for the individual student and for the forensics team.

The forensics season lasts from January through April. During this time, students compete in various tournaments and festivals. The moderator determines those students who are to be entered in each competition. The seminary is affiliated with the Wisconsin High School Forensic Association (WHSFA), the Wisconsin Forensic Coaches Association (WFCA), and competes in the Wisconsin Flyway Conference.

2. **MATH TEAM:** A student on the Math Team has an interest and ability in mathematics and mathematical problem solving. Sign up is prior to a meet when an announcement is made to the students. Students on the St. Lawrence Math Team participate in a series of competitions with other high school students from around the area. Math Meets are 5-6 times a year, usually on Monday nights. Members of the Math Team are divided into teams of eight students. At each meet the students take four individual tests and work together on a team test. The Math Team competes in the Wisconsin Flyway Conference.

E. PUBLICATIONS

The school is the publisher of a student newspaper, a yearbook, and a literary/arts magazine. Students who have special writing, editing, artistic or photographic skills or who wish to develop their skills are encouraged to become involved in these publications. The moderator of each publication chooses the staff.

1. **HILLTOPICS:** The student newspaper of the seminary, *Hilltopics*, provides students the opportunity to learn the basics of journalistic writing, computer layout, or photography. *Hilltopics* seeks to document the ongoing events and student activities at the school. It also includes various stories of interest and features.
2. **LAURENTIAN:** The seminary yearbook, *Laurentian*, concerns itself with documenting the wide variety of activities that occur throughout the school year. Students are able to contribute to the publication process through creative written articles and ideas, editing, photography, theme development and computer layout. The yearbook serves as a valuable published record, in photographs and text, of a given academic year.

3. **INKLINGS:** The student literary arts magazine of the seminary, Inklings, allows students to display their artistic and writing skills. Students may submit any original work, including poems, essays, songs, prayers, photographs, drawings, paintings, sculpture and more. Students serve as the editors who curate the submitted pieces and select what is published in the spring volume. This publication serves as an outlet for displaying students' creative talents.

F. FINE ARTS

1. **BAND AND CHOIR:** Both band and choir are part of the regular school curriculum. Students may choose to take these courses as part of their schedule, and receive credit for them. The courses are offered on a Pass-Fail basis.
 - a. During the year, usually two or three band and choir concerts are given. They demonstrate the culmination and presentation of the skills, concepts and musical training that were developed through a given period of time. These concerts contain seasonal music as well as a variety of other musical styles, to enhance a theme or a season.
 - b. Participation in the band includes "Pep Band" performances at athletic events.
 - c. Participation in the choir includes music ministry at liturgies.
2. **SOLO AND ENSEMBLE FESTIVALS:** Choir and band members may participate in the Wisconsin Music Association's State Solo & Ensemble Festival. Solo/Ensemble is an elective performance opportunity for an individual music student or groups of students to learn and perform music from a published list. The seminary music staff assists in the preparation of musical selections for the performance. Awards are earned based on performance as judged by external sources. To qualify for the State Festival, a student must perform in the A category and receive a 1 * rating. Large Group competitions are held for bands and choirs, and involve the entire band or choir class. Each group prepares three different musical selections, which are rated and evaluated by three judges in terms of total group performance. Awards are presented accordingly.
3. **SCHOOL PLAY:** The school play provides a forum for dramatic skills. It affords students an opportunity to develop skills not only in acting, but also in other areas of drama, such as stage production, scene painting, costumes, makeup, etc. The form of the school play alternates; one year is a musical and the next year is a drama or comedy. The musical cast is usually limited to students who are in either band or choir.

G. STUDENT GOVERNMENT

Student Government consists of the student council, class officers, and the student spiritual life committee. Student council officers are elected in the spring of the preceding year in accordance with the student council constitution. Prior to the election, each student council officer candidate will prepare and deliver a speech before the student body on his own behalf. At the beginning of each year, each class except the freshman class conducts elections for a class president, vice-president, student spiritual life representative and three student council representatives. (Freshmen have elections during the second quarter.)

- 1. STUDENT COUNCIL:** The student council functions as a forum for the student body to demonstrate and practice student leadership. The council also organizes and presents many special events throughout the year. Some of which are:

Weekend Activities
Pep Rallies
Spirit Week
St. Nicholas Day
Hospitality Room

Winter Carnival
Cultural Heritage Festival
Talent Show
Field Day

Officers of the Student Council consist of president, vice-president, secretary, and treasurer. The president and vice-president must be seniors. The secretary and treasurer may be seniors or juniors.

- 2. CLASS PRESIDENT AND VICE PRESIDENT:** These officers work with their respective classes and class advisor in planning and carrying out class activities.
- 3. STUDENT SPIRITUAL LIFE COMMITTEE:** The Student Spiritual Life Committee works with the Coordinator of Spiritual Life to enhance the spiritual life of the student body through the planning and preparation of liturgical services. The committee also serves as a resource for making suggestions to the Rector regarding any aspect of student spiritual life. Members of the committee include an elected representative from each class as well as the junior and senior sacristans and the senior who is in charge of the chapel work crew.
- 4. ELECTION CRITERIA AND PROCEDURES:**
 - Elections follow a self-nomination method with support petitions.

This club is for students who desire to improve their performance in math meets or find a special interest in mathematics in general. Club meetings typically consist of solving two to three sets of four questions each, mostly retrieved from previous math meets. After each set the answers are given and members volunteer to explain each of the problems on the board.
- 2. Movie Club:** The Movie Club is comprised of a group of students that enjoy watching movies. They meet once a week to discuss and select movies for the viewing pleasure of the school. Movies are shown every Friday and Saturday night in St. Anthony Hall and also on a large screen in the auditorium.

Venturing Scouts is open to any student. Students with previous scouting experience are highly encouraged to join Venturing Scouts so they can share their experiences.

At each meeting, a member makes a presentation on the featured nation using posters, pictures and handouts. After the presentation, students propose five nations as possible subjects for the next meeting. Members vote on the nominated nations and the one receiving the most votes becomes the subject nation of the next meeting.
- 6. Cooking Club:** The Cooking Club is comprised of senior members who look to learn how to cook new and interesting meals. Advised in proper food handling techniques, safe use of kitchen implements and how to prepare different types of food, the members of this club gain experience in cooking for themselves and sharing the meal they make.
